A GUIDE TO VOLUNTEER OPPORTUNITIES

Preface

This is intended to provide some ideas and direction for anyone considering volunteering their time and effort in the Moreno Valley, Ca. Community. Included are articles about volunteerism that are food for thought and organizations.

Volunteer effort is not limited to the "Professional Volunteer" who wears a volunteer nametag. Everyone can volunteer when they see the need arise to pitch in and help our neighbor. You probably already volunteer on a regular basis and don't consider the helping hand you give to be "Volunteer Work." Our organization needs volunteers of every kind, every age, gender, background and talents.

The following listing of volunteer opportunities is compiled from upcoming and current classes scheduled for the Cultural Heritage Performers. There are certainly many other opportunities not listed here and the intent is to encourage everyone to find his or her special place of service.
